

The Catholic Organization for Life and Family (COLF) has released on its website its annual message for the National March for Life, to be held this year in Ottawa on **10 May 2018**. In its message entitled

"Pro-Life All. In."

, COLF writes that "from the first moment of conception to natural death, every life is sacred. May we, the friends and defenders of life, be united as one in upholding this truth while we can, striving at whatever cost to build a truly inclusive society – one which respects and embraces all, that is every single human person."
