

The 103rd World Day of Migrants and Refugees will be celebrated January 15, 2017. The theme of Pope Francis' Message is "***Child Migrants, the Vulnerable and the Voiceless***". In his Message, the Holy Father wants "to draw attention to the reality of child migrants, especially the ones who are alone. In doing so I ask everyone to take care of the young, who in a threefold way are defenceless: they are children, they are foreigners, and they have no means to protect themselves. I ask everyone to help those who, for various reasons, are forced to live far from their homeland and are separated from their families."
