

TABLE GRACE FOR FAMILIES: RESIDENTIAL SCHOOLS

God, Creator of us all,
we acknowledge the truth.
The system of Indian Residential schools separated children
from the affection of their families and from
their rightful cultural inheritance.
Many Indigenous people still hurt today.
Father, send your Holy Spirit to heal
and to make us more compassionate.
Help Pope Francis to receive the Indigenous delegates
with gentleness, understanding, and
a desire to help in the healing of Indigenous Peoples.
Remembering that many Indigenous children
often went to bed hungry, we thank you for this food.
Give us a desire to share.
Amen.
